### Profile

I'm a graduate of Amikom University Purwokerto, majoring in Information Technology, with a passion for web development. I have a foundation in HTML, CSS, and databases, and currently exploring Next.js to expand my web application development skills. I'm an enthusiastic learner and ready to contribute professionally to the workplace.

### Education

#### Universitas Amikom Purwokerto

Sept 2021 – March 2025.

Information technology, Faculty of computer

- GPA: 3.66 out of 4.00
- Community Service, to enhance the accreditation level of my study program, I engage in community service activities aimed at educating students in Madrasah Salafiyah Diniyah Al Ittihad 3 Pasir Lor about the positive and negative impacts of the internet.
- Participated in a Field Study (KKL) in 2024, where my main task was to assist in digital marketing for MSMEs (Micro, Small, and Medium Enterprises) in Karangturi village. Additionally, I worked on optimizing the village website and created a village profile video.
